HISTORIC<sup>®</sup>  
NEW ENGLAND

*Defining the past. Shaping the future.*

Historic New England presents a weekend-long *Field School in Preservation Philosophy and Practice* designed primarily for graduate students in historic preservation and related fields. Learn how Historic New England's preservation philosophy underpins decision-making on building preservation projects and translates to real world applications. Lectures, case studies, and on-site group field exercises support learning objectives from conditions assessment to project planning, scoping, and treatment.

***\$75 students, \$150 Historic New England members, \$200 nonmembers. Fee includes four meals, snacks, and beverages. Lodging and transportation are not included. Early registration suggested, registration required. Limited to twenty-two participants with priority registration to students. Must show current student ID at check-in.***
